

## August Service Changes

**The following service changes will take place on August 29, 2022**

### **ROUTES:**

**Route 102** - Minor realignment in Allentown. Eastbound service via Hamilton, L-10th, R-Turner to the ATC A platform.

**Route 106** - Change of schedule. Service to Amazon every hour from Monday to Saturday. Southbound travel times were adjusted to depart at the highest hour. Route 216 will continue to leave for Easton at 30 a.m. after each hour.

**Transit Center Platform Changes** – To facilitate boarding, we are making some adjustments to the boarding locations at ATC-Allentown, BTC-Bethlehem and LVM-Lehigh Valley Mall.

**LVM-Lehigh Valley Mall** – Platforms reorganized by Direction instead of Route.

Platform 1 (closer to Boscov): All buses heading Northbound and Westbound (towards Walmart)

Platform 2 (closer to the entrance of the mall): All buses in the direction of Southbound and Eastbound (towards ATC, BTC and airport)

**ATC-Allentown** – ATC construction will be completed on Monday, August 15!!!

Platform A will return to the central island at that time. Route 102 eastbound toward Bethlehem will continue to exit Platform A, following construction. On August 29th, Route 220 will switch to the ATC B platform.

**BTC-Bethlehem** – Route 102 westbound to Allentown will depart from Platform 2 beginning August 29.
