LANtaFlex is a reservation based, curb-to-curb, shared-ride service provided by LANTA which is designed to meet mobility needs in the more suburban communities of the Lehigh Valley in the most efficient way.

Who is eligible?
LANtaFlex is open to the general public – you do not need to meet any eligibility requirements. You will need to provide your name and a phone number to make a reservation for the service. This information will be used to contact you with any necessary information about your trip.

Eligible Trips:
To use the Route 508 - New Smithville-Trexlerstown Flex Zone, trips must either travel entirely within the Flex Zone boundaries.

LANTA services do not operate on Thanksgiving Day and Christmas Day.

Making a reservation:

To make a reservation, call 888-253-8333. Please have the address of where you are traveling from and where you are traveling to (for major destinations you do not need the street address). Reservations must be made at least two hours prior to travel.

Riders should be ready for pick-up +/- 15 minutes around their scheduled time. When arriving +/- 15 around the scheduled time, drivers will wait 5 minutes for the rider to board the vehicle.

Passengers making daily trips can arrange for a standing reservation, however passengers must notify LANTA if they will need to cancel a scheduled trip. If a passenger does not notify LANTA that they will not be making their reserved trip within two hours of the scheduled pick up time, it will be considered a “no-show.”

Cancelling a reservation:

Call 888-253-8333 at least two hours prior to the scheduled pick up time to cancel a reservation.
