MEMORANDUM

To: LANTA Board of Directors, Service Support & Planning Committee

Fr: Darryl Lightner, Manager of Communications and Strategic Initiatives/DBELO

Re: DBE Program Update Date: February 10, 2025

LANTA is updating its Disadvantaged Business Enterprise (DBE) Program Plan to comply with the latest regulations set forth by the Federal Transit Administration (FTA) and the U.S. Department of Transportation (USDOT) under 49 CFR Part 26. The final rule, published on April 9, 2024, and effective as of October 1, 2024, introduces key updates designed to enhance program compliance, accountability, and effectiveness.

As a Tier 1 recipient, LANTA must incorporate the following revisions into its DBE Program Plan:

Policy Area	CFR	Key Requirement
	Reference	
Bidders List Data Collection	49 CFR 26.11	Prime contractors must submit
		bidders list data at bid submission.
DBE Monitoring & Compliance	49 CFR 26.37	Real-time tracking of DBE
		commitments vs. actual participation.
CUF Compliance	49 CFR 26.55	DBEs must perform, manage, and
		control their contracted work.
Good Faith Efforts	49 CFR 26.53	Prime contractors must submit
		bidders list data bid

To ensure compliance with these regulations, LANTA will implement updates to internal policies, contract requirements, and reporting mechanisms, strengthening oversight and accountability across all DBE-related activities.

Staff are requesting the Committee's recommendation for Board approval to proceed with the submission of the DBE Program Plan.
